ABOUT US

M.B. Finishing Technologies, a subsidiary of M.B. Tools Pvt. Ltd. established in 1990, is an ISO 9001:2015 certified company engaged in design & manufacturing of Automatic Special Purpose and Standard Buffing and Polishing Machines for Automobile components & other industrial applications.

We are backed by a team of experienced professionals and qualified engineers with strong expertise in design, engineering and manufacturing. With state-of-the-art infrastructure, in-house tool room and modern production facilities, we deliver high quality, reliable and cost-effective solutions.

Our management believes in Customer Oriented Thinking and continuous improvement. We have enhanced our infrastructure, added new machineries & diversified our portfolio with sufficient SPARE CAPACITY to meet the growing needs of our customers.

OUR PRODUCT RANGE

- Tank Polishing Machines
- Pipe ID Polishing Machines
- Sheet Polishing Machines
- Flat Polishing Machines
- Centerless Pipe / Bar Polishing Machines
- Super Finishing Machines
- Coil Polishing Machines
- Cookware Buffing & Polishing Machines
- Manual Polishing Machines
- Heavy Roller Polishing Machines
- Aluminum Section Polishing Machines
- Custom Special Purpose Machines (SPM)

WHY CHOOSE US?

- 30+ Years of Manufacturing Experience
- ISO 9001:2015 Certified
- Customized Automation Solutions
- In-house Design & Engineering
- Installation & Technical Support
- Pan India Service Network
- Export Quality Machines
- Trusted by Leading Industries

INDUSTRIES WE SERVE

- Stainless Steel Fabrication
- Pharmaceutical Equipment
- Food & Dairy Processing
- Cookware Industry
- Automobile Components
- Aerospace Components

OUR VALUABLE CLIENTS

Gansons 75+ Better Solutions Since 1947 · S2 Engineering Industry (P) Ltd · IndianOil · L&T Heavy Engineering · SK · DiFACTO Robotics and Automation · GMM Pfaudler · KSPG Automotive · ACG · DIAM · Cybernetik · BioAspire · INDO-MIM · J. K. Redefining Finishing Excellence...

OUR SERVICES

Complete Surface Finishing Solutions

MACHINE DESIGN & ENGINEERING
Custom-designed polishing machines tailored to your application for maximum efficiency and performance.

MANUFACTURING & ASSEMBLY
Precision manufacturing using high-quality components and in-house production facilities ensuring superior quality.

INSTALLATION & COMMISSIONING
Complete machine installation, alignment and production commissioning for smooth and reliable operations.

PROCESS DEVELOPMENT
Optimizing polishing parameters to achieve Mirror, Satin and Matt finishes.

TOOLING & CONSUMABLE SELECTION
Expert guidance for abrasive belts, flap wheels, buff wheels and polishing compounds to achieve the best results.

AUTOMATION SOLUTIONS
Customized Special Purpose Machines (SPMs) and automated polishing systems for higher productivity.

AMC & TECHNICAL SUPPORT
Preventive maintenance, troubleshooting and rapid after-sales support to minimize downtime.

MACHINE UPGRADES & RETROFITTING
Modernization and productivity enhancement solutions for existing polishing machines to improve performance.

OUR ABRASIVE PRODUCT RANGE

ABRASIVE BELTS
Aluminum Oxide, Zirconia, Ceramic, Silicon Carbide belts in various grits and sizes.

NON-WOVEN ABRASIVES
Scotch Brite Rolls, Wheels & Discs for Satin, Hairline and Decorative Finishes.

FLAP WHEELS
Cotton, Non-Woven, Zirconia & Abrasive Flap Wheels for consistent finish and long life.

POLISHING COMPOUNDS
Green, Brown, White & Blue Compounds for various metals and finishing needs.

BUFF WHEELS
Stitched Buff, Spiral Sewn, Loose Buff, Treated Buff Wheels for Mirror and High Gloss Finish.

CUSTOMIZE SOLUTION
Fibre Discs, Backing Pads & Quick Change Discs for grinding and finishing applications.

WHY PARTNER WITH US

30+ YEARS EXPERIENCE
Three decades of expertise in surface finishing industry.

CUSTOMIZED SOLUTIONS
Tailor-made achines as per your application and process.

ISO CERTIFIED
ISO 9001:2015 certified company with consistent quality standards.

SKILLED ENGINEERS
Experienced team of engineers and technical professionals.

PAN INDIA SERVICE
Strong service network across India for quick support.

EXPORT QUALITY MACHINES
Robust, reliable and export quality machines built to last.
